Subject: SHUTDOWN OF ELECTRICAL POWER IN THE GENERAL ASSEMBLY AND NORTH LAWN BUILDINGS FROM 16 TO 18 FEBRUARY 1991

1. The purpose of the present circular is to inform staff members that there will be a shutdown of the electrical system covering the General Assembly and North Lawn Buildings commencing at 5 p.m. on Saturday, 16 February 1991, until 8 a.m. on Monday, 18 February 1991. As a result, electrical services in the following areas will be affected:

(a) The northern half of the General Assembly Building (all levels) will be without power, lighting and elevator service;

(b) The northern half of the Garage (all levels) will be without power and lighting;

(c) The North Lawn Building (all levels) will be without power and lighting;

(d) All other buildings not mentioned above will have elevator service, power and lighting.

2. As a result of these circumstances, the buildings will be closed to the public and there will be no guided tours during this period. The shutdown is necessary to effect work required on the short-circuit protection programme of the United Nations.

3. Staff members in the General Assembly and North Lawn Buildings are requested to ensure, before leaving the office on Friday, 15 February 1991, that all computers, word processors, mini-computers, photocopiers and any other electrical equipment are unplugged. FAILURE TO DO SO MAY RESULT IN DAMAGE TO THE EQUIPMENT.

4. Additional information concerning the electrical power shutdown may be obtained from the Buildings Management Service, ext. 3.6176.

Designed by Carlos Ochagavia, who was born in Spain and is a citizen of Argentina, the stamps will be printed in sheets of 40 stamps (4 horizontally x 10 vertically) and include 2 se-tenant blocks of four horizontally and 5 se-tenant blocks of four vertically. The stamps were printed in offset by Heraclio Fournier, S.A., Spain.

Maximum cards

5. On 15 March 1991, UNPA will issue its very first set of maximum cards. The scenes of nature depicted in the se-tenant blocks of the "ECE - For a better environment" stamp issue will be reproduced on three different cards. The design will appear on the upper half of the card and the se-tenant block of stamps relevant to that design will be affixed to the lower half of the card and cancelled first day of issue.

6. The ECE maximum card cancelled at the United Nations, New York, will sell for $1.40. The cards cancelled at the United Nations, Geneva and the United Nations, Vienna, are priced at $3.33 and $2.28 respectively, but are subject to exchange rate fluctuation. Maximum cards will be available until 13 April 1991, unless sold out beforehand.

Picture postcards

7. Three pictorial postcards, which will be based on the designs of the ECE stamp issue, will be placed on sale on 15 March 1991. The cards, priced at 50c each, will be sold in mint condition only and will not carry preprinted postage.

8. Please note that neither the maximum cards nor the pictorial postcards are available through the Customer Deposit Service.

9. Members of delegations and the staff may obtain the new stamps and first day cancellations on Friday, 15 March, at the following locations:

(a) The UNPA sales counter in the concourse of the General Assembly Building from 9 a.m. to 5.30 p.m.;

(b) Counter at the north end of the Secretariat lobby from 9 a.m. to 4 p.m.

10. Collectors should note that the "Banning of chemical weapons" and definitive stamp issue, originally scheduled for 1 February 1991, has been rescheduled for 9 September 1991.
